The Original Venice House Pizza Story

Venice House Pizza was established in 1972. Since then, the words “pizza” and “Venice House” have become synonymous in our area. We have an original and unique method of pizza making. Best dough (made fresh daily), best pizza sauce (slowly simmered for hours), fresh veggies, top quality meats and handfuls of real milk mozzarella cheese.

From the beginning, our philosophy has been, and still is, “Lots of real good food, real good value, real good price and absolutely no compromises!”

Thank you, Saskatoon for your patronage and support.

This restaurant is a joint venture between Jim and Chris who have 60 years combined experience in the food and pizza industry. Thank you again.

Sincerely,
Jim and Chris
